

# 2024 International Survey on Learning Outcomes and Satisfaction in Higher Education

★ Fill out the survey to enter the gift draw. ★

- To understand students satisfaction with their learning experience, our school is participating in the TIRC project survey. We need to collect your personal information. The survey covers aspects such as campus facilities, teaching effectiveness, learning status, campus counseling, overall school satisfaction, etc., to explore learning outcomes for the purpose of improving school affairs and assisting students' learning. Therefore, we welcome active participation from students of all departments. Filling out the Survey will take 5 to 10 minutes of your time. Thank you for your feedback.
- Purpose of the survey: To understand the adjustment situation of students after entering university, in order to improve school affairs and provide assistance for students' learning.
- Survey subjects: Students in the Daytime/Extension Bachelor's Program, Master's Program, and Doctoral Program who are in their second year or above.
- Survey period: From now until July 5, 2024. ( Completing the survey to win a 7-11 gift voucher worth 100 NT dollars , total of 20 winners ) ◦
- Login method: Visit <https://tircq.ithu.tw>, enter your Tunghai University username and password, and you can start filling out the survey.
